The background features a light purple gradient. On the left, a large, white, stylized crescent moon is partially visible. To its right, a light blue cat is depicted in a sleeping position, with its head resting on the moon and its body extending towards the right. The cat's eyes are closed, and there are small, white, squiggly lines above its head, suggesting sleep or breath. In the center of the screen, there are two purple buttons with white text. The top button is labeled 'Stop' and the bottom button is labeled 'Track Sleep'. Between these two buttons, the text 'Elapsed Time: -16:-20:-28' is displayed in a black, sans-serif font.
